

Jane Goundrey

Jane Goundrey is the General Counsel and Corporate Secretary of ORAFOL Americas Inc., a manufacturer of premium vinyl graphic films, reflective films and industrial tapes used in signage, graphics, and traffic and safety applications. The ORAFOL Group has headquarters in Germany and operations around the world. Jane is responsible for all of ORAFOL's legal and regulatory matters in North America, South America and Asia. She is based at the company's Connecticut production facility, one of six manufacturing facilities in the U.S. She began her career in private practice as a transactional and regulatory attorney. She volunteers with several educational and youth non-profit organizations. Jane is a long-term Connecticut resident and a graduate of the University of Connecticut School of Law and the College of the Holy Cross.
