

Farm Renewable Energy & Efficiency Seminar

Monday, April 25th, 2016 7:00 pm
Dunbar Hill Volunteer Fire Co.
420 Dunbar Hill Rd., Hamden

Solar, ZRECs, Grants, Credits, REAP, Interconnection, Virtual Net Metering, Permits, Roof Loading Calculations, Payback

CT Farmers and Agricultural Businesses: Want to consider Solar or other Renewable Energy sources and know where to turn, who to ask ?

Come to New Haven County Farm Bureau's Seminar featuring all aspects of the topic! Speakers will detail energy options, Energize CT incentives & 0% loans, Grants & funding sources, payback and types of systems!

Come to plan how to \$ave your dollars using simple, quick changes to bigger long term opportunity (LED lights, motors, fans, cooling systems, pumps etc.)

Do you know that Virtual Net Metering = move solar power from one property to your main meter or municipality?

Speakers from CT Farm Energy Program, Energize CT/Eversource, CT Green Bank, Munger Construction and Be Free Solar
